Introduction

Moving into Year 3 is a vital step for your child as they are now in Key Stage 2. Here are a few guidelines to support your child's learning at our school. Please take some time to read them through with your child.

Attendance and punctuality

Pupils are expected to attend school each day however if your child is absent please inform the school office (02084727575) as soon as possible.

Please try to arrange necessary appointments out of school hours. If your child has a necessary medical appointment during school hours, please take the appointment letter to the school office before the day of the appointment.

Please see the website for regular updates about school timings in this current climate.

It is important that your child arrives at school and is collected on time.

Holidays in Term Time

Please note that the school keeps strictly to the national and Newham policies regarding extended holidays.

As we come back from a global pandemic and school closures, we want to ensure that our pupils maintain an outstanding attendance. Our school target for all pupils is 100% attendance percentage.
