Article 24

Article 24 states that every child has the right to good health care, clean water and healthy food. Our parents look after us when we are ill. We use clean water for drinking, bathing, cooking and watering crops. Clean water is important because if we drink dirty water it will make us ill. Water also helps to flush out toxins and wastes. Foods that are healthy are vegetables, fruits and grilled meats. The government ensures we receive our rights.

→ What are toxins? they are poisons

✓ Good. Very healthy food
