

Year 3 Example Homework

Friday 27th November 2020
Art Week — 2020

Pablo Picasso was a Spanish painter, ceramicist, theatre designer, sculptor and the pioneer of Cubism. He was born in Spain in 1881, but spent most of his life in France. Pablo Picasso used many simple geometric shapes in his works such as triangle, square, circle. He died at the age of 92 years. You can see his works of art in art museums around the world.
